F. No. 1-11/2012/DFSC-II/Fertilizer

Islamabad the 23rd August, 2016

CORRIGENDUM

SUBJECT: DISBURSEMENT MECHANISM FOR SUBSIDY ON DAP FERTILIZER

In continuation of this Ministry's Notification of even number dated 25-06-2016 and pursuant to the meeting held on 17-08-2016 in the Ministry of Finance the Competent Authority is pleased to accord approval to the revised notification and necessary modification made in the Para – iv of the clause- **Cash Subsidy Disbursement Mechanism** and the Federal Government in consultation with the provincial governments has decided that cash subsidy of Rs. 300/- per 50 kg bag on Di Ammonium Phosphate (DAP) fertilizer will be provided. As per Pakistan Bureau of Statistics (SBP), the average retail price of DAP on 16th June 2016 was Rs. 2,858/bag. After provision of cash subsidy of Rs. 300/ per 50 kg bag and an expected discount of Rs. 50/bag by importers and manufacturers, the retail price of DAP will decline accordingly.

Cash subsidy will also be available to the following fertilizers based on their Phosphatic content:

Product	Fertilizer Grade (in percentage) P	Subsidy (Rs. Per 50 Kg bag)
DAP	46	300
NP (22-20)	20	130
NP (18-18)	18	117
NPK-I	17	110
NPK-II	23	150
NPK-III	15	97

Federal-Provincial Subsidy Sharing

- i. The estimated annual offtake of DAP is 36 million bags. The estimated amount of subsidy @ Rs. 300/bag works out to be Rs. 10.8 billion which will be shared by the Federal Government and the Provincial Governments on 50:50 basis. The provincial contribution based on historical off-take pattern of DAP will be as under:

Province	Share (%)	Amount (Rs. billion)
Punjab	73	3.94
Sindh	19	1.02
Khyber Pakhtunkhwa	5	0.27
Balochistan	3	0.16
Total	100	5.40

Special Account Procedure

- i. For the purpose of this scheme, a non-lapsable Special Account titled "Subsidy on DAP Fertilizer" will be opened in the State Bank of Pakistan.
- ii. Initially, the Federal and the Provincial Governments will deposit 50% of their respective shares of subsidy in the Special Account. The remaining 50% share will be deposited after utilization of 80% of the funds initially deposited.
- iii. Alternately, the Provincial Governments may indicate their consent for at source deduction of their share by the Federal Government. The amount so deducted will be deposited in the Special Account.
- iv. The scheme will remain in force till the amount available in the Special Account by the Federal and Provincial Governments is exhausted.

Eligibility Criteria

- i. All manufacturers/ importers of DAP fertilizer registered with the Federal Board of Revenue under Sales Tax regime will be eligible for receiving subsidy under this scheme.
- ii. Manufacturers/importers will pack fertilizers according to the design given by the Government showing clearly retail price and subsidy.

Cash Subsidy Disbursement Mechanism

- i. Cash subsidy will be disbursed @ Rs. 300/50 Kg bag to the manufacturers/importers of DAP fertilizer by SBP. Similarly cash subsidy on other fertilizers will be given as mentioned in table 1.
- ii. Cash subsidy shall be paid after the sale of bagged fertilizer on the basis of Sales Tax Invoice and Sales Tax Returns submitted to FBR by the manufacturers.
- iii. The manufacturers/importers of DAP shall provide to FBR invoice wise details of the subsidized fertilizers sold, specifying name of buyers, NTN/ CNIC, description, number of bags sold, and other relevant information as declared in the filed sales tax return. The fertilizer companies shall also forward this information electronically bifurcating the information on provincial basis.
- iv. FBR shall forward the claims alongwith returns and invoices to NFS&R within 15 days and Ministry of NFS&R will forward these claims to SBP for payment of subsidy.
- v. The manufacturers will submit their subsidy claims on monthly basis.
- vi. The State Bank will ensure payment of the subsidy claim within 07 working days.
- vii. Necessary details comprising names of manufacturers/importers (place of business) quantities, destinations and value etc will be maintained by SBP and reported to Ministry of National Food Security and Research.

Monitoring Mechanism

- i. Ministry of National Food Security and Research will coordinate implementation of the scheme with the assistance of provincial governments.
- ii. Provincial Governments will be responsible for strict monitoring to ensure that the fertilizer is sold on the reduced prices to the farmers by exercising powers under respective provincial laws and the benefit of the subsidy is transferred to the farmers.

- iii. Necessary details comprising names of manufacturers/importers and amount paid will be maintained by SBP and reported to Ministry of National Food Security and Research, Ministry of Finance and provincial governments.
- iv. The entire process will be monitored through electronic monitoring and data maintained on the respective websites of the provinces with complete inventory of fertilizer.
- v. Fertilizers manufacturers in conjunction with the provincial governments will ensure wider public awareness about the fertilizer prices. They will also launch mega media coverage through print and electronic sources for this purpose.
- vi. The manufacturers would immediately cancel dealership of a dealer or sub-dealer found to be overcharging on the recommendations/directions of the provincial governments and shall be liable to fine of 20% of the total sales receipts.
- vii. Respective Provincial Governments will ensure the quality and content of the fertilizer.
- viii. The Federal Government will have the right to conduct a third party audit of payment of subsidies if, so required.

Note: The corrigendum will be effective with effect from 25-06-2016.
