Annexure-B**Declaration of Bidder Regarding Corrupt or Fraudulent Practices**

The purchaser observes the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the Purchaser:

- i. defines, for the purposes of this provision, the terms set forth below as follows:
 - “corrupt and fraudulent practices” includes the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official of the supplier or contractor in the procurement process or in the contract execution to the detriment of a procuring agencies; or misrepresentation of facts in order to influence a procurement process or the execution of a contract, collusive practices among bidders (prior to or after bid submission) designed to establish bid prices at artificial, non-competitive levels and to deprive the procuring agencies of the benefits of free and open competition and any request for, or solicitation of anything of value by any public official in the course of the exercise of his duty.
- ii. “Collusive practice” includes an arrangement between two or more parties designed to achieve an improper purpose, including the influence improperly the actions of another party;
- iii. “Coercive practice” includes impairing or harming, or threatening to impair or harm, directly or indirectly, any party or property of the party to influence improperly the actions of a party;
- iv. “Obstructive practice” includes deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede PPR Project Office investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or PPR Project Office has a right to immediately reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in afore stated practices. A panel of Entities will be selected after an open and transparent bidding process in accordance with Public Procurement Regulatory Authority Rules – 2004.

I / We have read and agree with the above-mentioned terms and conditions.
